Probate, Estate and Trust Administration

If you need to administer an estate, Alisha is well qualified. She provides clear guidance to navigate the complexities of an often stressful and emotional situation to make the process as efficient, cost effective and least stressful as possible.

Family and Divorce Law

Few areas of law can cause more distress than that of family and divorce law. Family law involves a multitude of issues, each requiring skilled, yet compassionate representation. Alisha listens carefully to the unique needs of each client and offers a candid, thorough, and caring approach. Her areas of expertise include the following:

- Separation Agreements
- Prenuptial Agreements
- Divorce
- Custody Modification

- Name Change
- Child Custody
- Child Support

General Civil Litigation

Alisha works diligently to represent her clients well during civil litigation. Whether in trials, hearings, arbitrations or

mediations, Alisha is a skilled civil litigation attorney and negotiator who works through conflict and controversy.
