LEGAL SERVICES

Every client has a unique set of needs and circumstances and Alisha L. Jacobsen strives to meet each need with her wealth of knowledge, compassion, and versatility. Alisha's services include:

Estate Planning

Estate planning consists of much more than a simple will. It establishes a broad range of wishes, including providing for your care in the event of disability, determining who will care for your minor children in the event of your death, minimizing estate taxes, and so much more. Alisha assists both married couples and single individuals with their unique estate planning needs, including the preparation of:

- Wills
- Trusts
- Financial Power of Attorney
- Healthcare Power of Attorney

- Advance Directives
- Prenuptial Agreements
- Postnuptial Agreements
